CITY OF BELLEVUE, WASHINGTON

ORDINANCE NO. 6058

AN ORDINANCE of the City of Bellevue, Washington, adopting interim official zoning controls regarding medical marijuana collective gardens for a period of six months, to be in effect while the City drafts, considers, holds hearings and adopts permanent collective zoning regulations, to be effective immediately upon adoption, scheduling a hearing on the maintenance of the interim zoning ordinance and declaring an emergency.

WHEREAS, E2SSB 5073 (the Act) effective on July 22, 2011 amended Chapter 69.51A RCW and authorizes "collective gardens" which allows certain qualifying patients to produce, grown and deliver cannabis for medical use; and

WHEREAS, federal law prohibits the production, processing and dispensing of medical cannabis products, and strict federal sentencing guidelines enhance the penalties for violations involving more than 99 plants or occurring within 1000 feet of schools; and

WHEREAS state law strictly enhances the penalties for violations of the Controlled Substances Act that occur within 1000 feet of a school; and

WHEREAS, the Act authorizes municipalities to exercise local location, health and safety controls for the regulation of collective gardens; and

WHEREAS, the City Council deems it to be in the public interest to establish interim regulations pending local review of the anticipated changes in the law; and

WHEREAS, the acceptance of applications proposing development, establishment or licensing of collective gardens may allow new uses that are incompatible with nearby existing land uses and lead to erosion of community character and harmony; and

WHEREAS, pursuant to RCW 36.70A.390 a public hearing must be held within 60 days of the passage of this ordinance; and

WHEREAS, establishment of interim regulations of six months in duration for the filing of certain applications for development, establishment or licensing of collective gardens will prevent substantial change until the land areas and the text of development standards applicable to collective gardens is reviewed, and any needed revisions are made to city codes; and

WHEREAS, the potential adverse impacts upon the public safety, welfare, and peace, as outlined herein, justify the declaration of an emergency; now therefore,
